DECLARATION -

I/we declare the following:

- 1. The consignment details above are true and correct.
- 2. I/we have understood and adhered to the conditions listed in the pre-delivery checklist.
- **3.** The consignment contains no glass, metal, plastic, orchard tools, tree ties or other foreign matter not usually found in an orchard.
- **4.** An Orchard Management plan is in place which reduces the amount of trash in the consignment. Trash includes the following: prunings, branches, grass and grass clippings, leaves, dirt, rock, stones, hulls etc
- **5.** All chemicals used within the orchard and throughout the harvest period were registered for use for walnuts and applied as per the label and withholding periods adhered to.
- **6.** A minimal percentage of the crop harvested (less than 5%) was on the ground prior to the commencement of tree shaking and harvest.
